## Overview

**WHEN:** Corporate Sponsorship thru December 31<sup>st</sup> annually.

**WHAT:** Corporate sponsorship opportunities are available each year to support the organization that honors the patriotic legacy and rare history of the nation's first black Marines; the Montford Point Marines. Sponsorships, whether corporate or individual help support the Montford Point Marines of America, Inc., a 501 (c) 3 non-profit that preserves the tradition of excellence and valor of the men who changed the history of the military by challenging discrimination and segregation during WWII. The Montford Point Marines of America, Inc. are prominent community leaders in coordinating life changing services for veterans after their military experience. We help veterans overcome the perplexity and uncertainty with making the transition home from the service or simply improve their lives many years later. We help galvanize the veteran's community and offer a lifetime of support to veterans by providing ready access to opportunity and resources for long-term successful living where we serve as mentors and navigators for accessing the VA benefits and the healthcare system including information on earned entitlements, job and career opportunities, housing, or business startup assistance. We are helping to build and develop thriving local communities by fostering economic success and sustainability thru veterans who invest in homes and businesses.

**WHY:** Our purpose is to honor veterans and highlight the historical accomplishments and achievements of rare historically "hidden heroic figures", particularly the Montford Point Marines of WWII. Your support goes towards our Hidden Heroes Preservation Project, museum exhibits, reintegration mentoring for returning veterans and their families, youth mentorship for at-risk youth, and student scholarships. Additionally, we support veterans small business and economic initiatives, and disaster preparedness, relief and mitigation, emergency communications, and financial support for military widows. Finally, your sponsorship goes toward support of the *National Annual Heritage Military Banquet held in the 3<sup>rd</sup> week of June each year* that is attended by ranking military and governmental officials, veterans and military and veteran organizations, journalist, historians, educational faculty and students, media correspondents, and numerous other distinguished guest from across the nation.

**BY WHOM:** The Montford Point Marines of America, Inc., is a Michigan-based non-profit 501 (c) 3 tax exempt organization headquartered in downtown Detroit, Michigan.
